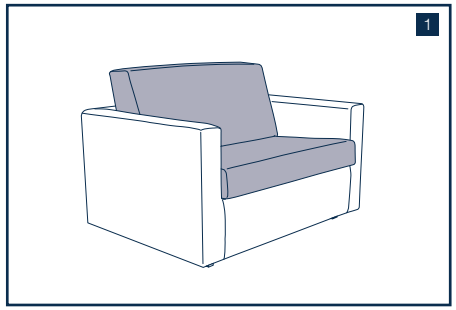
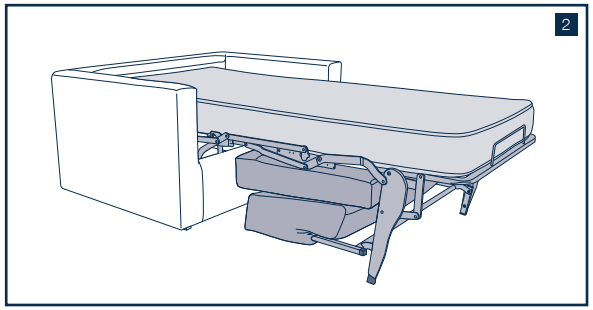
MECHANICAL OPERATION

Armchair extension

To proceed to convert the chair into a bed, follow the steps below:

- Access to the bed hidden inside the armchair without having to remove the bodies (1).
- Pull up the folded bed frame.
- Continue pulling until the structure is fully extended, in a horizontal position and the legs rest on the floor, leaving the whole in the position of a single bed (2).





Armchair extension

Armchair folding:

To return the armchair to its original position, proceed as follows:

- Pull up the footboard ring so that the bed frame starts to fold.
- Push and follow the bed frame so that it folds properly into the hollow of the armchair.
- Check the backrest and seat of the armchair are correctly positioned in the armchair position.
